ST. PATRICK'S DAY

ST. PATRICK'S DAY

- Date and origin – Celebrated on March 17 in honor of Saint Patrick, who spread Christianity in Ireland.
- Symbolism – The shamrock represents the Holy Trinity, and the color green is associated with Ireland.
- Legend – Patrick is said to have driven the snakes out of Ireland, symbolizing the end of pagan religions.
- Celebrations – Parades, music, dance, green clothing, and traditional Irish food and drinks.
- International significance – The holiday is celebrated worldwide, including in the USA, Canada, and Australia
